GENERAL DWIGHT D. EISENHOWER.
Doctor of Laws, University of Richmond

"Although Abraham Lincoln said, 'A house divided against itself cannot stand,' he did not say that two houses constructed differently, of different materials, of different appearance could not stand in peace within the same block. If we are going to live at peace with other nations of the world, we must understand that they do not give the same veneration to these American principles that we call the heritage of the English-speaking races."

GENERAL EISENHOWER

"We employed many weapons in this war, some of them so new that we still do not understand their potentiality. But the greatest weapon of all, greatest because without it none others were possible, was education. We have a synonym for that word in the Navy. It is 'know how.' The United States not only possessed God-given material wealth, but the intellectual and the spiritual resources to use that material wisely, economically and decisively."

The Messenger

The *Messenger* this year has tried to reflect through literary contributions the changing elements in student life on the postwar campus. A large percentage of the material printed was written by veterans who wished to share the harvest of their wide and rich experiences. The editorial staff found extreme gratification in the coöperation and spirit of helpfulness shown by the boys returning to the campus for the second semester and a willingness to work which sometimes surpassed talent.

This year the publication was increased to four issues with a larger number of pages in the final issue than it has had in several years. Interest in literary creativeness was stimulated by the Mortar Board prize for the year's best article, a limerick contest won by Leonard Segal, and a short story contest in which Langley Wood topped a wide number of entries.

Popular features of the 1946 *Messenger* included an account of life in a German prison camp by Bill Mizell, poetry by Peggy Harris, and humor from the versatile pen of Louis Rubin.

THE WEB

The 1946 WEB endeavored to give a true picture of the college year which has been one of the most unusual in the history of the University. Just a week before the engraver's deadline, the Board of Publications decided to include in the annual T. C. Williams Law School and the four hundred Richmond College second semester students. This meant more work, but the editorial staff knuckled down and did their best to get the annual out before the close of school.

Congratulations go to the business staff. They started

soliciting in September and had at that time a goal of \$1,000. Never before has the business staff of the WEB been so successful.

Hunter Martin who was appointed T. C. Williams Law School editor in February did a grand job of organizing the law school section.

The staff wants to thank Mr. Ford for his invaluable suggestions on page arrangements, Mr. Massie for his personal interest in the annual, and Mr. Frank Dementi for the extra time he spent on our group pictures.

The Collegian

This year has been one of many changes for many organizations, and this is certainly true of the *Collegian*. The year began with no editor-in-chief; and after a few appointments and resignations, Ralph Shotwell received the position with Dorothy Ann Fishberg to head the Westhampton College staff. The campus was almost depleted at times of experienced writers, and for this reason the work and responsibility fell upon the few.

The staff coöperated with the campus O.D.K. circle

in the publication of an eight-page issue at the beginning of the second semester, with the aim of thoroughly orienting the new men in the history, ideals, and operation of the University of Richmond and its many organizations.

Yes, the going was tough, the work was great, the "laborers few," the hours long, and the headaches many, but with the patience and coöperation of the entire student body, your staff continued publications.

Volunteer Christian Association

The Volunteer Christian Association was founded on the campus in the spring of 1944, its purpose being to unite students of the two colleges who are planning to enter religious work as a career. Mainly, the program is one of understanding more clearly the World Mission of Christianity by presenting speakers from various fields of religious work, thereby helping its members to find their own places of highest usefulness.

The officers for the past year were Anne Harris, President; Russell Cherry, Vice-President; Virginia Wagstaff, Secretary; Paul Strickland, Treasurer; Doris Pitman, Activities Chairman.

Baptist Student Union

The B.S.U. is the connecting link between the colleges and the local churches. It seeks to popularize and keep vital in the life of a student the various organizations of the church as well as the church as a whole. Further than this it supports the religious activities on the college campus.

This year we were fortunate to have the fall convention held here in Richmond. This convention was well attended by students from most of the colleges in Virginia. Many of us hope to join the students from all over the Southland in Ridgecrest in June.

University Players

An old-time vaudeville revue opened the Players' season in October. March roared in with a full enrollment of veterans who brought back to the Players George Sadler, Sim Taylor, and Allan Flannagan, and a breezy bill of one-act comedies for which the Players deserted the old Playhouse for the more intimate arena theater in the "Y" building. Sheridan Whitesides' "The Man Who Came to Dinner" stormed back into the Playhouse at the end of March. "Hasty Heart" brought an end to the season which had seen Barbara Richie, Bobby Rock, Marie Peachee, and Cornelia Reid initiated into the Players.

Biology Club

The Biology Club, after a lapse of two years, was re-organized last year under the sponsorship of Beta Beta Beta. It is open to all who are interested in Biology, and it is hoped that membership in this club will be an increased incentive toward membership in Beta Beta Beta.

The meetings were held once a month and at this time the club had many interesting speakers, both students and outsiders who have studied extensively in a certain field of biology.

The purpose of this club is to further and stimulate new interest in biology and to facilitate a closer relationship between its members.

Chemistry Club. MARY JANE DODSON, PEGGY MACY, DR. PIERCE, LUCY HARVIE, IRENE WHITE, President; LOLA CARTER, VIRGINIA GIBSON, ZULIEME ANDERSON, LIBBY THOMPSON, FRED JENNINGS

Chemistry Club

The Chemistry Club was organized in 1930. Its purposes are to further interest in chemistry and to promote more intimate relations between the students of chemistry at the University of Richmond. To become a member of the club, a student must have done good work in the department and must present a paper on a subject pertaining to a field in chemistry. This paper, either a biographical sketch of a famous chemist, a treatise on a phase of chemistry, or a dissertation on a new discovery, is presented before the club.

The club encourages students of exceptional ability by awarding honor keys to those members with an average grade of ninety for two years' work in the department.

Psychology Club

The Psychology Club was organized in 1944 for the benefit of the psychology majors and minors. The program of this club supplements the regular classwork with an opportunity for practical application of their knowledge, firsthand information of the psychopathic situations and conditions in society, and gives the students guidance to the opportunities open to them in the field of psychology.

Having completed twelve hours of psychology with a "B" average, the following students were initiated into the club this spring: Louis Gasser, Cora Lynn Chaffee, Mary Frances Bethel, Lois Bradley, Joyce Eubank and Temma Tatarsky.

Psychology Club. MARIE PEACHEE, ANNE JONES, ELLEN H. SAWALL, IRENE TAYLOR, BARBARA RICHIE, President; JEANNE YEAMANS, BILL SEAYER

Beta Beta Beta

Beta Beta Beta, a national honorary fraternity, is represented on this campus by our Beta Theta chapter. The fraternity's purpose is to stimulate interest in all fields of biological sciences and scientific investigation. Membership is reserved for majors who have maintained academic records above the University average, and who have shown special aptitude in biology.

The chapter welcomed back Dr. Hagquist, Professor of Biology and a charter member. In November three members from Westhampton were formally initiated.

Dr. A. B. Gathright, Jr., Acting Director of the Tumor Clinic, Medical College of Virginia, was the speaker at Convocations sponsored by Tri-Beta on March 8th. Announcement of six new members preceded Dr. Gathright's address on Cancer Control.

Initiation of a new field of service by Tri-Beta this year took the form of supplying a biological supply house with hydra from the lake. This opens a wide field for exploration in the future. The chapter also sponsored the Biology Club, an organization open to any student interested in this field.

The University Choir

The Choir has had a most successful year under the direction of Mrs. F. Flaxington Harker. The program for this year consisted of singing at Vespers and Convocation and the traditional presentation of Handel's *Messiah* before the Christmas holidays.

The Choir met regularly once a week with extra practices for special events. The membership was composed of Westhampton College women and Richmond College men.

Tau Kappa Alpha

The Richmond College Chapter and the Westhampton College Chapter of T.K.A. have striven to carry on forensic activities on both campuses. Members are chosen on the basis of their participation and ability in public speaking, and they must be in the upper thirty-five per cent of their class.

During the war years T.K.A. had many disappointments and, because of the bad transportation, there was almost no intercollegiate debating. T.K.A. has, since its founding on the campus, remained steadfast in its principles of freedom of thought and expression.

Who's Who

Who's Who Among Students in American Colleges and Universities is an honor, nationwide in its recognition of campus leaders. Seniors or Juniors who are outstanding

leaders socially and academically are eligible for election. The names of those who are elected are announced each fall.

Who's Who. (First row): ALTA AYERS, JOHN BROWN, GORDON CONKLIN, DOROTHY ANN FISHBERG, CAROLINE GOODE. (Second row): MARYLOU MASSIE, HELEN MUMPER, JACK NULL, MOSELEY POWELL, CORNELIA REID. (Third row): ELLEN SAWALL, RALPH SHOTWELL, L. O. SNEAD, LAVINIA WATSON, JEANNE YEAMANS

Pi Delta Epsilon

The purpose of Pi Delta Epsilon, national honorary journalism fraternity, is to recognize students who have made outstanding achievements in the field of journalism. Qualifications for membership include at least two years' work on one or more campus publications, holding a responsible position on at least one, and exhibiting a sincere, unselfish interest in the publications.

WALTER SCOTT MCNEILL

McNeill Law Society

UNIVERSITY OF RICHMOND LAW SCHOOL

Dedicated to the memory of Walter Scott McNeill, this society has as its twofold purpose the recognition of diligence and distinction in the study of law, and the offering to those who have demonstrated such interest, an opportunity for further work by participation in trials, research, and the discussion of legal questions.

Richmond College

Student Government

GORDON CONKLIN
President

The year 1945-46 has been one of constant change for the Richmond College Student Government. When September '45 rolled around, it saw the campus still under wartime conditions with the Student Government Association still composed of the emergency council of nine men, elected by the students en masse, who served as the Executive, Judicial, and Legislative Branches of the Student Government.

Before the close of the fall term the Student Government had initiated a plan whereby the governing body of Richmond College could be reconverted to its prewar level of

efficiency if an influx of students necessitated it. In February the necessity arose, and by a vote of the entire student body the Richmond College Student Government shifted from its war constitution to the prewar system which separated the three branches and gave more equalized representation.

The four classes—freshmen, sophomore, junior, senior—were reorganized, and also many of the dormant societies, such as the Philologian Literary Society and the Richmond College Debate Council, were reorganized, thereby giving to the students even greater opportunities for self-expression.

With spring elections in March the new Student Government took office with a new spirit of coöperation, integration, and service.

Forensic Council

The Forensic Council of Richmond College was established in 1913. Its purposes, as set forth in the revised constitution of the year are to further, and act as council for, the forensic activities of the institution. Its membership is composed of men who are particularly outstanding in literary society work, debating and other forensic activities. Although the Council had a severe setback during the war years, this year under the leadership of Jack Sullivan the Council once again sponsored inter-society debates, the Annual Banquet, and inter-collegiate debates.

S. C. Mitchell Literary Society

The S. C. Mitchell Literary Society has maintained its traditions of debate and argumentation during this year. Many questions have been discussed at length by the Society as a whole, and informative speeches have been presented by the members during society meetings. The membership of the Society has increased during the semester, and it is progressing after its highest aims.

In the absence from the campus of Dr. S. C. Mitchell, for whom the Society was named, the Society has endeavored to uphold the principles of leadership and good citizenship for which Dr. Mitchell stood.

The officers for the first semester were: Roy Wyatt, Jr., President; O. J. Graham, Jr., Vice-President; F. L. Pankey, Secretary; E. T. Hutton, Treasurer.

For the second semester the officers were: F. L. Pankey, President; Stanley Cohen, Vice-President; Tommy Fletcher, Secretary; S. C. Hutton, Treasurer.

O.D.K. GORDON CONKLIN, JACK NULL, MOSELEY POWELL, RALPH SHOTWELL

Omicron Delta Kappa

Election to Omicron Delta Kappa is based on activity in five fields with preëminence in two fields or preëminence in one field and distinction in two others. The five phases of endeavor are scholarship, athletics, social and religious affairs, publications, and forensics. Besides these qualifications several things are considered indispensable for membership such as character, scholarship, intelligence, service and leadership in campus life, fellowship and consecration to democratic ideals.

O.D.K. is the one organization on our campus in which students and faculty members meet on equal terms to discuss problems pertinent to good administration.

Glee Club

The 1945-46 Richmond College Glee Club has been gradually returning to prewar conditions. However, the lack of stimulating interest has greatly hindered its activities. The Glee Club has prospered under the capable and witty leadership of Mr. Alton Howell. The officers were: Paul W. Strickland, President; Bob Doss, Vice-President; Ellis O'Neal, Business Manager; Bill Gresham, Secretary-Treasurer; George Wyatt, Librarian. Meetings were increased to two a week, on Monday and Friday afternoons.

The Club gave an opera, *Cleopatra*, here as well as at various neighboring schools, including Mary Washington College, and presented various programs on the campus.

Ministerial Association

The Ministerial Association of the University of Richmond has as its aim "to encourage religious life on the campus and to lead in religious activities." This organization unites the students on our campus who are preparing for service in the Christian ministry.

We have been fortunate this year in having many outstanding speakers who have spoken to us out of their experiences and encouraged us in our work. One of these was Rev. Vernon B. Richardson, who was our speaker for Religious Emphasis Week. Our students have participated in every phase of the campus life this year, and along with their studies, have worked in churches in Richmond and vicinity. The friendships we have made in this work, the experiences gained, and the memories we have, will be valuable assets to each one of us.

Our Friday afternoon meetings at the Virginia Home for Incurables have been continued this year. Edgar Hutton has been in charge of these services and has presented a varied and interesting group of programs. Many of our students were in school last summer, and much to the joy of our friends at the Home, services were held there throughout the summer months. In April of this year, our students preached, or assisted, in the evening services at our Baptist churches.

Y. M. C. A.

The activities of the Young Men's Christian Association were far-reaching this year. The cabinet has been successful in getting things back to normal.

The annual Christmas party for underprivileged children was held in the "Y" building which was returned to the "Y" when the Naval V-12 Unit left the campus. The Y.M.C.A. also coöperated in presenting Vesper Programs, Chapel Programs, and helped to lay plans for Religious Emphasis Week. They participated in the World Student Service Fund Drive and sponsored a successful ping-pong tournament.

In spite of all the difficulties which arose in this transition year, they strove to continue serving the religious needs of the students in true "Y" fashion.

Mu Sigma Rho

Founded in October, 1846, Mu Sigma Rho Literary Society is probably the oldest students' organization at Richmond College. Led by Ralph Shotwell and Jack Green, presidents of the first and second semesters respectively, the organization enjoyed a successful hundredth year.

The organization affords opportunity for training in reading, declaiming, public speaking, debating and writing. In carrying out the purposes of the organization each member spoke twice during the year, and many extemporaneous speeches were given on many amusing and varied topics. Inter- and Intra-society debating was sponsored within the body and with the other campus literary societies.

Philologist

The goal of the Philologist Literary Society has always been to teach its members to think clearly and to speak distinctly. Beginning this year, much handicapped by the depletion of members who graduated in 1945, the Society set about to build its membership to normal levels. With the return of so many veterans to the University of Richmond campus second semester, many men of promise, ability, and industry joined the group.

The programs were interesting this year with prepared speeches and extemporaneous talks which were above par. The current topics discussed this year included the United Nations Organization, Russian policies in Iran and Manchuria, and the United States loan to Britain.

The Veteran's Club

The Veteran's Club was started in Richmond College during the fall of 1945, its purpose being to give the returning boys a greater voice on the campus and to help them get adjusted to

college life as quickly and as easily as possible.

The officers for this past year were Martin Shotzberger, President; Charles Neidemyer, Vice-President; Harry Dunn, Secretary.

The Athletic Board

The "middle man" in three generations of Pitts who have been closely identified with the University of Richmond, Malcolm U. Pitt, Athletic Director and coach of baseball and basketball, can sing that he is a "Spider born . . . a Spider bred." A star in football and baseball at the University of Richmond, Mr. Pitt joined the University athletic staff in 1928. Since 1942 he has been athletic director, and under his wise leadership the institution's finances are now in the "black" for the first time in several decades.

MALCOLM U. PITT
Athletic Director

The head man in football is John L. Fenlon, former George Washington great, a firm believer in razzle-dazzle football and a disciple of the "T" formation. He is receiving able assistance from A. H. (Pop) Werner—whose William and Mary past has been forgiven.

In the office adjoining that of the athletic director is another Pitt—Dr. Cullen Pitt, University physician—who has been ministering to tummy aches and charlie horses since 1914. With a bottle of pills and a roll of adhesive tape, Dr. Pitt manages to keep the players in top condition for the big games.

W. Fred Caylor is one of the ablest men on the campus and certainly one of the most industrious. In addition to his chores as associate professor of Spanish, he finds time to serve with great competence as treasurer of the Athletic Association.

FOOTBALL 1945-46

Having suffered disastrously from the manpower shortage during the past two seasons, there were increasing signs as World War II came to a close and things were returning to normal once again, that Richmond was in for better and banner seasons on the gridiron.

As if indicative of this, Johnny Fenlon returned to resume his active duties as head coach early in January after having served almost three years as a Lieutenant in the Navy.

Shortly afterward, it was announced that Albert (Pop) Werner, former line coach at William and Mary, had been signed to do the same kind of coaching here.

Four veterans with previous football experience at Richmond re-entered school in February. They were: Fritz Laurinaitis, guard in 1942; Leonard Fendrich, guard in 1942; Pat Fenlon, quarterback in 1942; and Jack Wilbourne, halfback in 1942.

Several promising freshmen were also in the lot which came to Richmond College for the first time in February.

"We're not optimistic about the future," said Fenlon, "just hopeful, that's all."

Indeed, that seemed to be the keyword as the Spiders were making plans to hold their own in the Big Six and Southern Conference.

BASKETBALL 1945-46

Although the Spiders didn't enjoy the fruits of victory as much as in previous seasons, probably no player ever caught the imagination of so many Spider supporters as Freddie Gantt did this season.

Gantt wound up a brilliant Red and Blue career February 22 when he rang up 31 points in the season's finale against VMI. Altogether, he established three new records in the Keydet game. His 31 points were the most ever scored by any Richmond player, and in racking up a total of 319 points for the season—an average of 16 per game—

he became the first Spider to ever go over the 300 mark, and naturally the most points ever scored in one season by a Richmond player.

Freddie had previously set a Spider record in a game with Virginia at Charlottesville in which he shot 30 markers.

Coaches throughout the State and South acclaim Gantt as every bit an All-American basketball player. He was a unanimous choice for the All-State team, which also featured another UR performer, center Tony DiServio, who scored 237 points in his freshman year.

With only three members of the 1944 squad back, Coach Mac Pitt was faced with the task of moulding a diamond outfit from a group of raw freshmen and naval V-12 trainees. Jack Null, third baseman, Leo Garrett, outfielder-pitcher, and Freddie Gantt, pitcher, were the only returnees, with Null being the only regular from the trio.

Richmond opened the season quite impressively by coping the first four games in a row. Playing their next two contests with Virginia, the Red and Blue sustained its first and only setback of the campaign.

Winning games from both Hampden-Sydney and Randolph-Macon, the Pittmen climaxed the season with the greatest achievement that could be obtained, and one of the biggest upsets by a Spider nine in several years. With Ramer hurling superb ball, the Spiders nosed out the highly-touted Navy team from Annapolis on the opponents' home lot.

*To our Westhampton, symbol through the years
We pledge thee homage, loyalty, and love.
Wavering lanterns up the pathway steep,
Torches of memories our hearts will always keep.*

CHORUS:

*Daisies of gold bring dreams of old,
Forever cherished here midst happiness untold.*

*Pine trees so stately towering to the skies,
Sign of true glory never left to die.
Glittering waters with enchantment true
Hold those traditions which mean so much to you.*

Thomas Hall Residence Hall

A Freshman Residence Council was organized to work for smoother relations within their dormitory. This addition of a freshman dormitory necessitated a new method of student administration. The College Council in this re-

organization devised means for strengthening the dormitories by assigning to each one a program for constructive and creative work in addition to the traditional functions of handling regulations.

Westhampton College Government Association

CAROLINE GOODE
President
College Government

College Government, as in past years, has had as its aim and purpose the furthering of the best interest of the student body by securing coöperation between the different organizations and promoting individual responsibility.

The session 1945-46 brought with it many situations unprecedented in the history of Westhampton College Government Association. The acquisition of Thomas Hall meant the departure of the Freshmen from the hill, and this in turn called for more effort toward orienting them into the group. For this reason the Handbook classes were continued for a period after the usual Freshman Week.

Various situations demanded that changes be made in the social regulations and that the constitution be amended. Among these changes was the formulation of a system of point penalties. The regulation regarding class cuts on week ends was adjusted to base permissions on academic standing.

The Council recognized that the year 1945-46 was a period of transition. In order to link the past with a growing future, a beginning was made on a Student Affairs Office in which all records will be kept.

International Relations Club

As a merger of three of last year's most prominent clubs, the International Relations Club is the youngest club on the Westhampton campus. The National News Council, The Forum, and the old International Relations Club were combined for the purpose of giving students one focal point for their study and discussion of current trends and problems. The Carnegie Foundation for World Peace supplied the club with the latest books and bulletins on world affairs, and through the bringing of informed speakers to the campus, a background was provided for student thought and debate.

Under the sponsorship of Dr. Susan M. Lough the club has already become an important means of student expression. It is hoped that in the future it will evolve as a vital force in the intellectual life of the entire university.

Mortar Board

Mortar Board, national honorary society for senior women, tries to recognize and promote scholarship, leadership, and service. The members are tapped in the spring of their Junior year.

This year the chapter has tried to bring about a realization of the importance of charm to any girl today by having a series of discussions. Also the group opened a second-hand book shop as a service to the school. In the spring of this year Mortar Board gave a tea for the members of Phi Beta Kappa and for the girls of each class who had outstanding grades. In April it sponsored the annual school for next year's officers.

With such awards as the Mortar Board cup and the literary prize, it has tried to bring to the Westhampton campus a greater spirit of coöperation and interest in the varied aspects of college life.

Les Femmes Savantes

To promote interest in the language and customs of France and to support the World Student Service Fund and its drive for clothing have been the chief aims of Les Femmes Savantes this year. To be eligible for membership the student must have had two years of French with approved grades and must have shown an interest in the language and the people of France. In the spring the club had its annual banquet. The plans for this social event were directed by the club's president, Dorothy Davis.

El Picaro

El Pícaro has as its aim the promotion and better understanding of Latin American affairs on the campus. To further this purpose the club presented varied programs dealing with Latin American music, dancing, customs and other phases of their life. Talks on Mexico and other Latin American countries were given by persons who have traveled in these countries.

Serving as officers of the club this year were Beverly Ryland, president; Margaret Goode, vice-president; Frances Newman, secretary; and Carol Buxbaum, treasurer.

Eta Sigma Phi

This group was formed to recognize the work of outstanding students, and to stimulate an interest in the classics. In November a public tapping of six new members took place. They are Mary Cox, Hannah Barlow, Helen Condyles, Wilma Lum, Doris Pitman, and Betty Tinsley.

In February, a tea was given for students of fourth-year Latin in Richmond high schools and for the girls at Westhampton studying advanced Latin. The chapter has sponsored several open meetings with speakers from Richmond, and has presented several movies.

In May a portrait exhibit of the faculty members, as they looked in their childhood days, was given for the raising of money for Greek student relief.

Nostrae Filiae

Nostrae Filiae was organized in 1936. The Chapter upholds and is entrusted with the ideals and traditions of Richmond Female Institute and Woman's College of Richmond, predecessors of Westhampton College. Membership is open to those students of Westhampton College whose mothers, grandmothers, or aunts attended either of those colleges. Under the sponsorship of Mrs. Jack L. Epps, an alumna of Woman's College, Nostrae Filiae has been active every year since its beginning.

This year's events included the observance of Founder's Day with a Chapel program and luncheon. The guest speaker was Dr. Garnett, a former professor of the Woman's College. At Halloween a party was given for the children of the House of Happiness, and teas were given during the year. The Alumnae of the Woman's College, through Nostrae Filiae, presented books to the Westhampton College Reading Room as memorials to members of their organization.

Glee Club

Directed by Mrs. Edith M. Harker, and with Martha Edwards as president, the Westhampton College Glee Club has had a most successful year. The holiday program consisted of a concert, and the singing of old familiar carols at the Kilbourne Farm Christmas Party. The Glee Club also took part in the university programs.

The traditional Spring "Pop" Concert was given in April in the Westhampton College Dining Room, at which time the club sang popular songs and the old favorites. Even though the membership has been smaller due to crowded schedules, the Glee Club is still an outstanding organization on the campus.

The Victory Council

In September the War Council was converted into the Victory Council. The chief project of the year has been the sponsoring of entertainment for the wounded soldiers at McGuire General Hospital.

The sale of stamps and bonds was continued through the Victory Loan Drive. The Council worked with the Y.W.C.A. in soliciting for the World Student Service Fund. Before Christmas a dinner program representing "the lights going on again all over the world" brought to a close the functioning of the Victory Council. The dinner program opened with the singing of the blessing by Millicent Hutcherson, Doris Moore, and Virginia Herndon.

Debate Council

Having "settled" the postwar problems confronting practically every national institution, class, and nation in the discussions of previous years, the Westhampton Debate Council turned inward this year as their personal reconversion program. Just as many returning servicemen, professional men in civilian life, attune themselves to new procedures in their chosen fields, so this year the Debate Council has held refresher courses in formal and informal debate procedure in preparation for extended intercollegiate debating during the 1946-47 session. By working with sharply defined subjects and by subjecting their work to the frank criticism of the remainder of the Council and its sponsor, Miss Margaret Ross, the members have gained that invaluable experience—ease in extemporaneous speaking, logical reasoning, recognition of fallacies—so necessary for future activities.

Ionian Music Club

The Ionian Music Club is composed of the music students of Westhampton College desiring a fuller appreciation of music. The monthly recitals which were given this year during the chapel period developed talent and audience poise. Under the leadership of Marylou Massie, president, with Mrs. Frank Wendt and Mrs. Flaxington Harker, advisors, the Club has been active in providing Chapel programs and recitals, featuring both voice and instrumental students. Also, under the supervision of Mr. H. H. Fuchs, the club broadened its programs with concerts featuring some well-known pianists and composers, among them being the excellent musician, John Powell.

The Y. W. C. A.

The Y.W.C.A. has provided through its evening devotional services a more personal interest in religion for the students. It has coöperated with the Y.M.C.A. in sponsoring special vesper services during the year and has also coöperated with the other religious organizations during Religious Emphasis Week.

A house party was given for the whole school at Roslyn and a retreat held for the old and new cabinet members in the spring. The cabinet planned the entertainment for the girls on Halloween at the traditional Halloween Supper. It coöperated with the city organization in sponsoring the Community Fund Drive on the campus, raising over one hundred dollars for this cause. A total of \$1,000.19 was raised by the college during the World Student Fund Drive, sponsored by the "Y" in coöperation with the Victory Council. This money was sent to needy students all over the world. At Christmas time the Social Service Committee was in charge of sending boxes to the girls at Kilbourne Farms and of taking a large group of Westhampton College girls out to visit them.

In the spring this committee enjoyed entertaining these girls with a tour of the campus, followed by a picnic at the faculty kitchen.

Westhampton College Athletic Association

At the beginning of this past year the traditional picnic was held to introduce the Freshman Class to the Athletic Association. Another tradition of the A. A. Board is the sponsoring of the Christmas Ball which this year was a co-ed and a successful one.

The Song Contest, next to the sponsoring of athletic activity, is one of the most important phases of the A. A. The purpose of the contest is to teach the words of the songs and to create new songs in order to inspire greater pleasure and spirit in campus activity. The Class of '48 having won the Song Contest, the association turned its

attention toward spring sports and toward raising money to send the team to hockey camp.

At the spring banquet, given in honor of the new board, blazers, seals, and varsity letters for tennis, track, and archery were awarded. The seal is the highest award conferred by the Athletic Association. It is given to those girls who, because of their coöperation, school spirit, enthusiasm and interest have promoted athletics and all other campus activities. The blazer goes to a girl who has received a letter in three, or more, varsity sports.

Highlights of the 1945 Hockey Season

Varsity Hockey

The Westhampton Hockey Team, under the excellent coaching of Miss Gene Woodfin, ended its 1945 season in top form. They won the city championship by winning seven games, losing two, and tying one.

Besides winning the championship, the 1945 season was outstanding in other ways. The Spiderettes were very fortunate in having Miss Appleby, who introduced hockey to the United States, coach them for a week at the beginning of the season. Then, to give the team more experience, they played Beaver, and although greatly outclassed, they held them to a 8 to 0 score. The team progressed to such a degree that by the time they met Sweet Briar they were in top form and defeated them by a score of 4 to 1.

Tryouts for the East-Virginia Team were held at Westhampton, and Helen Conant, Jeanne Yeamans, and Maria Carter made the regular team, while Betty Anne Gustafson and Betty Edwardsen made the reserves. Helen Conant, as an alternate, was the only Westhampton representative on the Southeastern team.

Varsity letters were awarded to Isabel Ammerman,

Maria Carter, Helen Conant, Jane Dens, Betty Edwardsen, Caroline Goode, Betty Anne Gustafson, Virginia Lambeth, Cornelia Reid, Margaret Stone, and Jeanne Yeamans. Nine second team letters were awarded and two service letters.

Class Hockey

The results of class hockey for the 1945 season were very close. It was decided that there was a tie between the seniors and the sophomores, for bad weather prevented the final game from being played. In the odd-even game, which is always the highlight of the season, the evens emerged the victors, winning a fast fought 4 to 1 game.

BASKETBALL

Varsity Basketball

The Westhampton Varsity Basketball Teams rounded out the 1945 season with 13 victories, and 2 defeats, to tie St. Catherine's for the city championship.

We are proud of the fact that in the history of Westhampton we have never been defeated by Sweet Briar in our gymnasium; and last year was no exception, for we won by the score of 17 to 12.

Tryouts for the all-city were held at Westhampton, and Jane Wray Bristow and Helen Conant were the only Spiderettes who made the team.

First team letters were awarded to Jane Wray Bristow, Betty Edwardsen, Helen Conant, Sally Lawson, and Caroline Goode.

Class Basketball

At the end of the 1945 class basketball season the seniors and the freshmen tied for first place. In the postseason game for the championship, the seniors emerged the victors, winning by the score of 18 to 14.

The class of '45 showed unusual speed and accuracy in shooting, for this was the fourth consecutive year that they had won the championship.

Track and Tennis

In the all-city Triangular Track Meet, held at Westhampton in the spring of 1945, Westhampton's track team tied with teams from St. Catherine's and John Marshall. Helen Conant broke the record for the basketball throw. In the Intramural Track Meet the Sophomores received forty points against the Freshmen's thirty-nine points.

Cheerleaders. (Above): JANE DENS, VIRGINIA HERNDON, DORIS VICKERS

(Right): ELLEN SAWALL, VIRGINIA LAMBETH, JEANNE YEAMANS, BOBBY ROCK

Jane Wray Bristow, Helen Conant, Cornelia Reid, Deborah Morrison, and Imogene Cowan received Westhampton letters in track.

The tennis team was successful against the three varsity teams that it played, with none of the Westhampton girls losing to their opponents. The games were played with Thomas Jefferson, John Marshall, and St. Catherine's, with Westhampton winning 3 to 0, 3 to 0, and 4 to 0.

The rating of tennis players is determined by means of a tennis ladder which is always subject to change. Letters were awarded to girls who placed first, second, third and fourth; they were Maida Mickle, Helen Conant, Betty Anne Gustafson, and Margaret Stone.

The Interfraternity Council

The Interfraternity Council, an organization which has as its main purpose that of binding together the social fraternities on our campus, was organized in 1914.

The Council is made up of two members from each fraternity and three members from the faculty. The officers of the body are: Dr. R. C. McDanel, president; Dr. Herman P. Thomas, vice-president; and Professor Fred M. Caylor, secretary-treasurer. Ralph Shotwell was chairman of the Dance Committee.

The work of the Interfraternity Council each year is to conduct "rushing" weeks, "Interfraternity Week," interfraternity dances, the awarding of scholarship and intramural athletic trophies.

The Council sponsored the first postwar interfraternity Mid-Winter Dance during the latter part of the first semester and paved the way by returning to the prewar practice of interfraternity social activity.

Coöperating with the Student Government, the Council fostered intramural athletics and presented a trophy to the winner.

Because of the increased enrollment the second semester and the coöperation afforded by the alumni circles, the Council was instrumental in reorganizing three fraternities which were inactive during the war—Phi Kappa Sigma, Lambda Chi Alpha, and Pi Kappa Alpha.

The Council has been indispensable this year as it has in the past, for it is here that the fraternities have an opportunity to thrash out their problems over the conference table and to make plans which will enable the individual fraternities to work more efficiently.

LIFE INSURANCE

For Safety and Security

A SUCCESSFUL savings plan must provide a regular amount to be saved on a regular day for a specific purpose.

LIFE INSURANCE is the best plan yet devised to teach us the habit of saving and to keep us faithful to that habit. It is not an expense but a savings. It should be the first factor in everyone's program—the last to let go.

LIFE INSURANCE creates an estate immediately, which might otherwise never be acquired. Make sure of your estate through the purchase of adequate Life Insurance.
